Description

A totally dry heat, no condensation, no gas, no fumes and no smell. Reaches maximum heat output within seconds of being turned on. Highly polished aluminium reflector for maximum heat efficiency. Adjusts horizontally through 25° while mounted. Three settings, controlled by pull chain, allow unit to be on full, half or low power. Ideal for industrial or domestic applications. Suitable for indoor and outdoor use, if weather protected.

Features

- A totally dry heat, no condensation, no gas, no fumes and no smell
- Three settings controlled by pull chain allow unit to be on full, half or low power
- Suitable for indoor use or outdoor use if weather protected
